Notice on Collection, Protection, and Processing of Personal Information
Notice On Personal Information Collection, Protection, and Processing

In order to better protect your personal information during the supplier management process, in accordance with the

In accordance with the current laws and regulations and relevant policy requirements such as the Civil Code of the People's Republic of China, the Personal Information Protection Law of the People's Republic of China, and the Cybersecurity Law of the People's Republic of China, we will take corresponding measures to strictly protect the security of your personal information. We now inform you of the company's policy on protecting the personal information of suppliers. Please sign the informed consent form after carefully reading and understanding the entire contents of this notice. This Informed Consent Form applies to the collection, storage, use, processing, transmission, provision, disclosure and deletion of your personal information before, during and after the establishment of a cooperative relationship.

一、 Necessity and related concepts

1. The company referred to in this notice is Bürkert China, which includes three legal entities : Bürkert Fluid Control Systems (Shanghai), Bürkert Fluid Control Systems (Jiangsu) Co., Ltd. and Bürkert Fluid Control Systems (Suzhou) Co., Ltd.
2. The company collects and uses your personal information to conduct necessary supplier management, avoid repeated submission of relevant information and materials, and better protect your personal privacy.
3. Personal information refers to various information recorded electronically or otherwise that can identify a specific natural person alone or in combination with other information, including the natural person's name, date of birth, ID number, biometric information, address, telephone number, email address, health information, educational information, etc.
4. Sensitive personal information is personal information that, once leaked or used illegally, can easily lead to infringement of a natural person's personal dignity or endangerment of personal or property safety, including biometrics, religious beliefs, specific identity, medical health, financial accounts, whereabouts, and other information. The processing of personal information includes the collection, storage, use, processing, transmission, provision, disclosure, and deletion of personal information.
5. The processing of personal information includes the collection, storage, use, processing, transmission, provision, disclosure, and deletion of personal information. The processing includes the collection, storage, use, processing, transmission, provision, disclosure, and deletion of personal information.

二、 How the Company collects and uses your personal information

1. In order to establish and manage supplier relationships, we need you to provide the following personal information, such as contact name, email address, phone number, etc.
2. You can review, copy, correct and supplement your personal information. You may contact the Company directly to review, copy, correct and supplement relevant personal information.
3. In accordance with relevant laws and regulations, the Company may process your personal information without your authorization or consent in the following circumstances:
    1) Necessary for the conclusion and performance of a contract to which the individual is a party, or necessary for the implementation of human resources management in accordance with legally formulated labor rules and regulations and legally signed collective contracts;
    2) Necessary for the performance of statutory duties or obligations;
    3) It is necessary to respond to public health emergencies or to protect the life, health, and property safety of natural persons in an emergency;
    4) Carry out news reporting, public opinion supervision and other activities in the public interest, and process personal information within a reasonable scope;
    5) Process personal information that an individual has disclosed voluntarily or that has been legally disclosed within a reasonable scope in accordance with regulations;
    6) Other circumstances stipulated by laws and administrative regulations.

三、 Sharing and Disclosing Personal Information

1. In order to conduct business, the company will share your personal information with third-party entities such as auditing agencies, testing agencies, software system companies, affiliated companies of Burkert Group, etc.
2. In the following circumstances, sharing or disclosing your personal information does not require your prior authorization or consent:
    1) Where necessary to respond to public health emergencies or to protect the life, health, or property of natural persons in urgent situations;
    2) Where personal information has been lawfully disclosed by the individual or otherwise made public, and the processing is conducted within a reasonable scope in accordance with applicable regulations;
    3) Other circumstances as provided by laws or administrative regulations.

四、 About the protection of your personal information

1. To ensure the security of your information, the Company will use security measures that meet relevant standards in accordance with laws, regulations and existing technological levels to protect the personal information you provide, and will take technical and management measures to reduce the risks of loss, misuse, unauthorized access, disclosure and modification, and strive to prevent data from being accessed, disclosed, used, modified, damaged or lost without authorization.
2. Establish a special management system to ensure the security of information, limit the scope of personnel who can access information, require relevant personnel to comply with confidentiality obligations, and conduct audits in accordance with regulations.
3. Due to technical limitations and various possible malicious means, security issues may arise due to factors beyond the company's control. After a personal information security incident occurs, the company will promptly inform you in accordance with the requirements of relevant laws, regulations and regulatory policies. When it is difficult to inform the personal information subject one by one, the company will take reasonable measures to issue an announcement. At the same time, the company will proactively report the handling of personal information security incidents in accordance with the requirements of the regulatory authorities.

How individuals can withdraw consent

1. According to the "Personal Information Protection Law of the People's Republic of China" and other current laws, regulations and relevant policy provisions, based on the principle that individuals have the right to process personal information, individuals have the right to withdraw. You may request us to withdraw the signed "Supplier Personal Information Collection, Protection, and Processing Informed Consent" by formal written document or email.
2. If you choose to withdraw the "Supplier Personal Information Collection, Protection, and Processing Informed Consent", which results in the inability to conduct necessary supplier management and cooperation business, you will be responsible for the resulting consequences.
3. You may submit a request to withdraw your consent by sending an email to DPO-cn@burkert.com.

Deletion of Personal Information

Supplier personal information will only be kept during the service relationship and for

the legally required 3 years after termination. After the retention period has expired or the purpose of processing has been achieved, the Company will promptly initiate the deletion or anonymization process in the following circumstances:

1) The supplier has requested deletion and there is no statutory retention obligation
2) The storage period has expired and there is no legal basis for further processing
3) The purpose of processing has been achieved or cannot be achieved

Notification of Export of Supplier's Personal Information
Notice on Supplier Personal Information Cross-Border Transfer

Since the Burkert Group, to which our company belongs, adopts a globally unified enterprise operations management system, when conducting supplier management, it is inevitable that the supplier's personal information needs to be uploaded to the Global ERP system and then managed by Global IT.

When supplier personal information is transmitted and stored in this system, the data will be encrypted. In accordance with the current "Personal Information Protection Law of the People's Republic of China" and relevant laws and regulations, the Company informs you of the following information:

一、 Purpose of data export

The export of suppliers' personal information is a reasonable need for the company and group to conduct global supplier management and service and other business operations. The above-mentioned supplier personal information may be transferred and shared between affiliated companies within the Burkert Group as necessary, but such transfer and sharing will only be used for the reasonable purpose of the company and the group's

global supply chain management and business operations, and the affiliated companies receiving the information will also adopt the same level of information protection measures as our company.

二、 Overseas recipient information

The Company will share your personal information with its overseas parent company whose contact details are as below:
Parent Company Name: Christian Bürkert GmbH & Co. KG
Adress: Christian-Bürkert-Straße 13 – 17, 74653 Ingelfingen - Germany
Our chinese Data Security Contact Details: Dehmelt Isabel +4979401091238

三、 Data transferred and stored abroad

The supplier personal information transmitted by the Company to its overseas parent company is consistent with the supplier personal information already collected by the Company. For details, please refer to the "Supplier Information Collection, Protection and Processing Notification and Consent" that the Company has issued and requested you to sign. Within the scope prescribed by laws and regulations, if we need to collect and transfer personal information from you that has not been collected before across borders, we will inform you separately and seek your consent.

四、 Withdrawal of consent for cross-border transfer of personal information and deletion of information

1. The prerequisite for cross-border transfer of personal information is obtaining your separate consent for such transfer. If you do not agree to the transfer, the Company will not conduct any cross-border transfer without your consent; when you withdraw consent for personal information that you previously agreed to transfer, or request deletion of such information, you may contact the Company directly.
2. As stated in the preamble, the Company manages supplier information through a globally unified enterprise resource planning system. If you do not agree to upload personal information to the global system, or request withdrawal of consent or deletion of information, such decision will result in the Company being unable to properly manage supplier relationships, which may affect business operations.
3. You may send an email to DPO-cn@burkert.com to submit a request for withdrawal of consent.

Informed Consent Form

I hereby confirm that I have read and fully understood the above document. I voluntarily authorize the Company to conduct cross-border transmission, storage, and processing of my personal information. I acknowledge that I shall accept full responsibility for any legal consequences arising from providing false information.
